Planning a visit to Enablement Care?

Due to COVID-19 restrictions, all visits to our residents are currently taking place in our garden gazebo. If you would like to visit please call 01623 397750 to arrange in advance.

Thank You to Our Fantastic Staff

The management team would like to extend their thanks to all staff for always rising to the challenge. There is no doubt that we are going through a testing time and staff should know that their efforts to follow the extra guidance, cover shifts and remain professional at all times is appreciated. Thank You!

Congratulations to James on the development of his business. James has not let his disabilities stand in the way of his chosen career and has built up a professional small pet boarding service. James also offers a local pet sitting service and is going to expand from rodents to more types of animal care soon!

If you would like to find out more about the services that James offers and follow how these develop, you can find him on Facebook @LittleDolittle2001 and Instagram @little_dolittle_small_pets. Well done James!
