Christmas at Enablement Care

The Enablement Care Christmas Party was a great success with lots of singing, games and fun!

The residents enjoyed Secret Santa, a virtual concert with Andy Quinn and a dance session with Emma Quinn!

Carley our activities organiser planned lots of fabulous games to involve all, this included Christmas bingo, a quiz, and the Enablement Choir COVID-19 version of the 12 days of Christmas, which was well rehearsed by the residents.

Well done to all for making this a special, memorable time!

Christmas Gifts to Service Users

We were very happy to give Christmas gifts to service users and residents, all of whom requested that we pass on their thanks. Many thanks to management for the purchases and also to staff for distributing them.

Thank you also to management for staff Christmas Gifts.

COVID-19 Vaccine Rollout

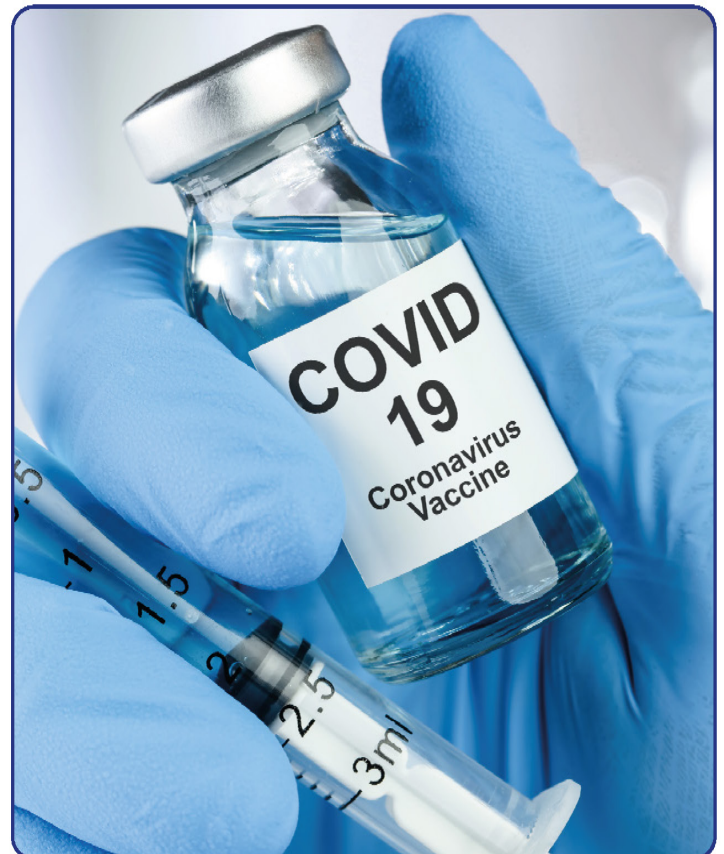

The NHS is currently offering the COVID-19 vaccine to those at most risk. All CCT Community Enablment Team Ltd staff have recently been offered the vaccine. Many of them received their first dose in early January, making a very positive start to 2021!

You can find out more about this by searching nhs COVID-19 vaccination or by visiting:

www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/coronavirus-vaccine/

Wait to be contacted

The NHS will let you know when it's your turn to have the vaccine. It's important not to contact the NHS for a vaccination before then.

National Lockdown

England is currently in national lockdown, which means you should stay at home unless it is necessary for you to leave.

You can find out more about the national lockdown rules by visiting www.gov.uk/coronavirus
