Disco Time!

Community Enablement Team Service Users have been having a great time recently at the Towers Disco!

Discussion on Adult Social Care Reform

CET manager April Parker recently attended a discussion on adult social care charging reform. This discussion addressed how the new care reform will impact on social care and how, through better transparency with local authorities, people will be supported.

"... We must also address the challenges in adult social care. The pandemic has placed significant pressure on the sector. But even before the pandemic there were problems in the sector. People in England were required to pay for all of their care needs in full, right down to £23,250, at which point the state would start to provide some support. At an already difficult time in their lives, people suffering medical conditions such as dementia faced losing their life savings. Successive governments have pledged to reform the system but none have brought about long-term change..."

Lots more information on this topic can be found on gov.uk and then using the search box, search for **Build Back Better: Our Plan for Health and Social Care**.

Baking!

Some fabulous Sunday baking from our CET Service Users. Don't these treats look absolutely delicious!

Welcome!

We would like to give a massive welcome to **Paula Morgan** and **Kayleigh King** who have recently joined the Community Enablement Team.

At Enablement Care we would also like to welcome **Nina Morton, Angela Birch, Nicola Burke, Irene Freeman, Ellie Spice**, and new Deputy manager, **Christine Fforbes-Rusell**.

Extending a warm welcome also to our new trainer **Kerrie Weaver**.

YOUR STORY

Have Something to Share?

We love to hear about the accomplishments and activities of our residents, service users and staff.

If you have something great that you'd like to share please get in touch by emailing info@challengect.co.uk for consideration*.

*It may not be possible to include everything that we receive, but we will try our best.

A message from Casey Stocks

"I am the Children's and Young Peoples Outreach Manager from CCT Community Enablement team. I am in the process of putting together workshops around Nottinghamshire and Derbyshire for children and young people up to the ages of 25 with SEND. These workshops will be around a range of different activities and interests of individuals who may be interested in taking part, a few examples are, musical theatre, singing, independent living skills, life skills. This is with the hope individuals feel included, are given the opportunity to take part in activities they enjoy and build on their social relationships and confidence, but most of all to have fun.

I am currently devising a questionnaire to send out to individuals to gain their preferences and interests in what they would like the workshops to be.

I am pleased to have our school holiday club for children back up and running beginning in April, these will be based around the theme of Easter, with one session on each week of Nottinghamshire Easter school holidays, on the date of April 4th, April 13th. This club will include a range of crafting activities, sensory activities and lots of fun."

Casey Stocks - Children's and Young Peoples Outreach Manager, CET.

For more information about workshops and clubs, please get in touch with Casey.

James' Recent Presentation

Congratulations to James on his brilliant presentation for West Notts College. James was invited to talk about his pathway through education to self-employment.

Enablement Ark News

Ark Senior Council

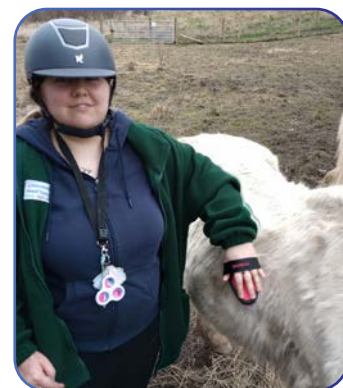

Hi! We are the Ark Senior Council. We are a selection of service users and staff who meet every month to discuss what we would like to change or improve around how the Ark runs and supports us. We would love to show you what we have been up to and what is going on at Enablement Ark.

Our Charter

We sat together in our first meeting and agreed on a charter for all staff, service users and visitors to follow when they are at Enablement Ark. We feel very proud of our suggestions, let us know what you think!

Introducing...

We have 2 very special new residents at the Ark; our rescue ponies called Dazzle and Jazzle. They are settling in really well, love their food and have even let us walk them around and give them a brush. We can't wait to see them thrive with all of the love and attention we can give them.

Name the Chicken

We have a total of 26 chickens who live at the Ark. They were all rescued, mostly as ex-battery hens, and we are starting to run out of name ideas! Do you have a good name for one of these four lovely ladies? Send us a message on our Facebook page or give Becca an email on Becca.Oseman@challengect.co.uk to let us know your ideas.

Follow Us on Facebook

Keep up with everything we are up to on Enablement Ark's Facebook page. If you are interested in a visit or coming down to help us out then please get in touch with Becca on Becca.Oseman@challengect.co.uk.

Enablement Ark Charter

A charter is a set of rules we all agree to follow.

At the Ark:

We help each other and we ask for help.

We all take responsibility for the health and wellbeing of the animals.

We keep the site safe, tidy and clean.

We talk about our thoughts and feelings.

We are kind, considerate and appropriate.

We are respectful of each other's needs and opinions.

Axolotl Presentation

One of our very knowledgeable council members, James, brought in his axolotls for us to learn all about. He did a presentation on everything they need and what the different variations can look like. Fun fact: did you know Axolotls can regrow parts of their bodies, including their hearts and lungs? Give James a follow at **Little Dolittle Axolotls** on Facebook to find out more!

We are a care farm based in Old Whittington, N Chesterfield and we are linked to our wider community-based service that offers bespoke packages to individuals with complex needs who don't fit into the standard packages of support.

If you are interested in this service, please email becca.oseman@challengect.co.uk.
