

Enablement Ark

a place to grow

We are a care farm based in Old Whittington, North Chesterfield and we are linked to our wider community-based service that offers bespoke packages to individuals with complex needs who don't fit into the standard packages of support.

We have a specialist support team who are trained to work with individuals with complex needs such as:

**Autism, ADHD, Anxiety,
Mental Health Needs and Sensory Needs**

Our Activities

- **Feeding the animals - chickens, pigs, ducks, horses, goats, rabbits, guinea pigs, cats and sheep**
 - **Grooming small animals**
- **Welfare checks of the animals**
 - **Animal related crafts**
 - **Animal Care Programme**
 - **Free play options**
